

## SciencesPo Exchange Program

The Sciences Po exchange program draws students from over 400 partner universities worldwide. Each year, Sciences Po's staff, faculty welcome over 1500 exchange students, making them an important part of the student community and the university's academic mission. Exchange students contribute to a dynamic learning environment composed of top-notch professors, researchers, professionals and an accomplished student body.

<http://www.sciencespo.fr/ecole-urbaine/fr>

Please submit the following (specifically requested by SciencesPo) to me via email no later than **Friday, March 11<sup>th</sup> by 5:00 pm**. Applicants will be selected by the UCLA Urban Planning faculty.

---
